NB - DLS Grace Period of 30 mins applies to all Saturday divisions. Should the match be delayed by less than 30 minutes or interruptions up to 30 minutes in total then overs will not be reduced.

NB - In all League matches, if a team fails to bowl its allocated overs in the time allowed including any additional time allowed by both umpires, at the point where the time has expired, for the remainder of the innings, 1 more fielder must be inside the circle until the innings close

NB – If a Cup game starts, it must be finished on the day either by DLS, a bowl out or a coin toss. If No Play on the scheduled day and there is a reserve day, the game can be delayed until the reserve date.
